ZERO's Impact in Kansas

Patient Programs

- ZERO360 is ZERO's comprehensive patient navigation service that provides individualized case management to help patients and their families connect with financial assistance, navigate insurance, and find other kinds of support including emotional support and even transportation assistance.
- ZERO also offers peer-to-peer support through our Us TOO Support Groups and MENtor programs. We match patients and caregivers with someone who has been on a similar journey to provide ongoing, one-on-one support. We also run a nationwide network of support groups for those affected by prostate cancer.
- ZERO Connect is our online private Facebook support group where you can connect with others affected by prostate cancer, learn from their experiences, and ask questions to patients and loved ones across the country.

ZERO Prostate Cancer is the leading national nonprofit with the mission to end prostate cancer and help all who are impacted. ZERO advances research, provides support, and creates solutions to achieve health equity to meet the most critical needs of our community. Visit our website: www.zerocancer.org
