**ZERO's Impact in Minnesota**

**Patient Programs**

- ZERO360 is ZERO's comprehensive patient navigation service that provides individualized case management to help patients and their families connect with financial assistance, navigate insurance, and find other kinds of support including emotional support and even transportation assistance.
- ZERO also offers peer-to-peer support through our Us TOO Support Groups and MENtor programs. We match patients and caregivers with someone who has been on a similar journey to provide ongoing, one-on-one support. We also run a nationwide network of support groups for those affected by prostate cancer.
- ZERO Connect is our online private Facebook support group where you can connect with others affected by prostate cancer, learn from their experiences, and ask questions to patients and loved ones across the country.

**ZERO Prostate Cancer** is the leading national nonprofit with the mission to end prostate cancer and help all who are impacted. ZERO advances research, provides support, and creates solutions to achieve health equity to meet the most critical needs of our community. ## CDC’s National Comprehensive Cancer Control Program (NCCCP) Funding in Minnesota:

- Promote shared decision making for prostate cancer screening and treatment.
- Partner with providers, clinics and health systems serving populations with the highest mortality rates from prostate cancer, especially African American and American Indian men, to support shared decision making.
- Provide targeted education that incorporates the principles of informed decision making to African American men and American Indian men.
