ZERO's Impact in Oklahoma

Patient Programs

- ZERO360 is ZERO's comprehensive patient navigation service that provides individualized case management to help patients and their families connect with financial assistance, navigate insurance, and find other kinds of support including emotional support and even transportation assistance.
- ZERO also offers peer-to-peer support through our Us TOO Support Groups and MENtor programs. We match patients and caregivers with someone who has been on a similar journey to provide ongoing, one-on-one support. We also run a nationwide network of support groups for those affected by prostate cancer.
- ZERO Connect is our online private Facebook support group where you can connect with others affected by prostate cancer, learn from their experiences, and ask questions to patients and loved ones across the country.

ZERO Prostate Cancer is the leading national nonprofit with the mission to end prostate cancer and help all who are impacted. ZERO advances research, provides support, and creates solutions to achieve health equity to meet the most critical needs of our community. Visit our website: www.zerocancer.org

CDC’s National Comprehensive Cancer Control Program (NCCCP) Funding in Oklahoma:

- Objective: Increase knowledge and understanding regarding prostate cancer risk factors, warning signs and the recommendations for screening.
- Objective: Use cancer surveillance and other data to re-evaluate prostate screening rates, incidence rates and changes in cancer prevalence.
- Strategy: Promote understanding of prostate cancer, including recommendations for screening through public awareness campaigns.
- Strategy: Ensure primary care providers are familiar with the recommendations for prostate cancer screening and provide screenings as appropriate.
- Strategy: Use cancer surveillance data and health behavior surveys to re-evaluate prostate screening rates, incidence rates and changes in cancer prevalence. Desired Outcome: To decrease by 30% the number of men 35 years old who have not had a PSA and DRE in the past two years by 2015.
