CDC's National Comprehensive Cancer Control Program (NCCCP) Funding in Washington, DC:

- **Goal 1:** Reduce morbidity and mortality due to prostate cancer in the District.
- **Objective 1:** Through the provision of professional and public education, improve the appropriateness of prostate cancer screening for District residents.
- **Objective 2:** Establish a standard for community prostate screening process, including education and informed decision-making.
- **Objective 3:** Increase the early detection and appropriate management of clinically relevant prostate cancer cases with a high probability of rapid tumor growth to mitigate adverse impact on chances of survival and quality of life.
- **Objective 4:** Reduce the proportion of unstaged prostate cancer cases for all races from the 2004-2008 Surveillance Epidemiology and End-Year Results (SEER) baseline rate of 11.7 to less than 3.
