

VETERANS AND PROSTATE CANCER BY THE NUMBERS

1 in 5 U.S. Veterans will be develop prostate cancer disease in their lifetime

Prostate cancer is the **most common cancer diagnosis** among U.S. Veterans

Prostate cancer rates in the military are **twice those** of the general population.

Nearly **489,000** prostate cancer patients are in the VA health system.

16,000 of these patients have metastatic prostate cancer.
