ZERO CHAMPIONS CHATTER

MID-ATLANTIC | MAY 2021

DO IT FOR DAD ON JUNE 19TH!

Sign up for your local Run/Walk at zerocancer.run and join us for a fun virtual run to kick off your fall training and fundraising! The Do It For Dad Virtual 5K Run/Walk will be held through the Charge Running App! We'll all run/walk together at the same time, but it'll be on whatever course you choose! You'll hear live coaching and music along the way, be able to use the app chat feature to connect with other participants, and see live leaderboard results! Sign up for your local Run/Walk before June 4th to receive your invite to this exclusive event!

STUDY ALERT!

Wake Forest Baptist Health is currently examining how prostate cancer treatment affects men's work in an effort to improve the quality of life of men in the future. This remote study is looking for men who have had treatment for prostate cancer within the last 3 years and were working at the time. They are trying to enroll a wide variety of men and are particularly interested in the experiences of minority men or those with limited income and will try to match the race of the interviewer to the participant. The study only involves a single phone interview (no medical tests or procedures), and men will be paid a gift card for their time. Know someone who qualifies? Contact Andy Mayfield at amayfield@wakehealth.edu
