

# ZERO

# CHAMPIONS CHATTER

MIDWEST | JULY 2021

## "GET TO KNOW YOU" CALLS

In the next couple months, everyone will be getting a call from myself or another champion to get to know you better; your interests, your passions, your mission connection, etc. The Midwest Champions program has some BIG plans for the future and these interviews will help guide us in those initiatives. More to come later, but all I have to say for right now is, get excited folks!

## CHAMPION SPOTLIGHT

July's Champion spotlight goes to Tracy Morgan from Grand Ridge, IL. Tracy is a fierce warrior when it comes to his mission to #EndProstateCancer, as well as a true warrior in his own fight to beat his advanced stage four prostate cancer diagnosis. To anyone reading this, you probably already know who Tracy is, as you may have heard about his crazy fundraising efforts (blue mohawk ring a bell?), but Tracy is a champion for many more reasons than just a top fundraiser for the cause. He is a UsTOO Support Group leader, a member of ZERO's 50 Vets for 50 States initiative, founder of the Mohawk Mission, active member of ZERO Connect, a Xtandi patient ambassador, a member of the Pfizer PCa Patient Centricity Steering committee, he is on the PCRP Review Panel, Summit Ambassador, the mission speaker for the upcoming ZERO Prostate Cancer Run/Walk Chicago event, and the chair of the Midwest Champion Leadership team. Wow! Keep up the impactful and meaning work you are doing, Tracy! You are making a IMACT!

## THANK YOU!

In June, ZERO launched the Save A Man campaign. All donations made in June towards SAM were doubled. The Midwest really stepped up and I am proud to report that as of June 30, YOU contributed over \$26,000 towards our \$176,000+ total. Thank you to everyone who donated. The money raised, goes directly to ZERO's critically needed patient programs!

**DON'T FORGET TO REGISTER  
FOR YOUR LOCAL RUN/WALK  
AT NO COST!**

Happy belated Father's Day to all the the amazing Dads!

We hope you had a very special day!
