*Source: Estimates based on 2022 data from the American Cancer Society*

## ZERO's Impact in Utah

### Patient Programs

- ZERO360 is ZERO's comprehensive patient navigation service that provides individualized case management to help patients and their families connect with financial assistance, navigate insurance, and find other kinds of support including emotional support and even transportation assistance.
- ZERO also offers peer-to-peer support through our Us TOO, MENtor, and Caregiver Connector programs. We match patients and caregivers with someone who has been on a similar journey to provide ongoing, one-on-one support. We also run a nationwide network of support groups for those affected by prostate cancer.
- ZERO Connect is our online private Facebook support group where you can connect with others affected by prostate cancer, learn from their experiences, and ask questions to patients and loved ones across the country.

**ZERO – The End of Prostate Cancer** is the leading national nonprofit with the mission to end prostate cancer. ZERO advances research, improves the lives of men and families, and inspires action. Visit our website: [www.zerocancer.org](http://www.zerocancer.org).
