Us TOO is a 501-c-3 charitable organization founded in 1990 by and for Prostate Cancer Survivors, their families and men at risk

Someone to talk to . . .
who understands

June 21, 2011

Dear Friends and Us TOO Support Group/Chapter Leaders,

Welcome to Summer! It is finally here after lots of stormy Spring weather here in the Midwest and throughout the country.

Thanks to those of you who supported Us TOO and responded to my Spring campaign request and those of you who responded to my Father's Day reminders with support as well. It is needed and does make a difference!

Please do not forget the July 4-10, 2011 John Deere Classic and the Birdies for Charity Fundraiser was included in our recent mailings. It really is only weeks away now.

We sure would like to see more involvement this year. The donation brochure is located at www.birdiesforcharity.com. Bill Palos tells me that people from IL, IA, NC, NY and AZ have signed up so far...please pledge and offer a donation for Us TOO. It is easy (you can find information at the link above or on the Us TOO website).

Your support makes it possible for us to keep things like the monthly *HotSheet* coming, so I appreciate your help. This July *HotSheet* edition contains some information from the recent AUA and ASCO meetings. There are exciting things happening in prostate cancer and keeping up with the latest news is more important than ever.

Us TOO is about sharing and caring and it is exciting to me to see our Facebook page and our Inspire Prostate Cancer Support Community have each crossed the 1,000 member mark. I urge you to sign up too and both can also be found on the Us TOO webpage.

As we look ahead, Us TOO's August 19-20, 2011 Us TOO University Conference registration is now on the Us TOO website as well. Make your plans soon; we hope to see you there.

Finally, let me close with a heads up on new materials we have coming, look for the new Us TOO Advanced Disease Kit materials soon with a special announcement of a new committee with an important mission!!

Thanks,

Thomas N. Kirk, President and CEO
