Us TOO is a 501-c-3 charitable organization founded in 1990 by and for Prostate Cancer Survivors, and their families and men at risk

Someone to talk to . . .
who understands

April 19, 2011

Dear Friends and Us TOO Support Group/Chapter Leaders,

I am so pleased that we are able to bring to you the May edition of the monthly *HotSheet*.

I am excited that after talking with Dr. Mark Scholz and his publisher at Other Press, we are also able to send to you a free, complimentary sample copy of the book the *INVASION OF THE PROSTATE SNATCHERS*. As you know, over-treatment is an area of concern for many and this book can be very helpful to people facing tough decisions.

For additional information, or to place individual orders, please visit www.otherpress.com or your favorite bookseller. For information on group rate discounts, please contact Random House Customer Service at 800-726-0600.

I will suggest again that you mark your calendars for Us TOO's August 19-20, 2011 Us TOO University Conference in Chicago and PCRI's Annual Prostate Cancer Conference to be held September 9-11, 2011 at the Westin Los Angeles Airport Hotel. Us TOO is working with PCRI again this year to see that we have support group leaders in a variety of areas there and active conducting groups on-site.

We are also including a copy of the Official Pledge Form from Bill Palos, Us TOO Regional Director about the July 4-10, 2011 John Deere Classic and the Birdies for Charity Fundraiser. You may recall that last year, we worked with Bill to promote this event and we hope we can get more people involved this year. Note on this form that there is a specific charity number for Us TOO, #1391. You can copy this form to spread the word and get people involved and look for more information coming soon.

Speaking of golf, I also want to mention there is an August 13th Bachelor Classic Golf Tournament taking place in Louisville, Kentucky which will again benefit Us TOO. Look for more information on it soon on their soon to be updated website.

Finally, I am so pleased to let you know that the Federal Budget approval means that the funding for the 2011 Department of Defense Prostate Cancer Research Program is approved. Thanks to all of you that contacted you elected officials.

I strongly encourage you to become involved, if you are interested in becoming a Consumer Reviewer you can find the information on the application process at http://cdmnp.army.mil/cwg/docs/Consumer_Brochure.pdf or seek information from our office.

Thanks,

Thomas N. Kirk, President and CEO
